What are 4 questions to ask the candidate in your life running for office?

- 1) For anyone running for office, what is their view of the judicial branch? Isaiah 1:26
 - a. “Unrighteousness of the nation is dependent on the type of judges you have” – David Barton
 - b. Ask those running for office if they will look to original intent or how will they reign in the judiciary?
- 2) Are those running for office God Conscious? Based on The Ten Commandments
 - a. If they are God Conscious they will naturally be reigned in because they are accountable to God, government is not their God.
 - b. If the candidate is God Conscious they will also understand rights come from God, not government; therefore, the candidate cannot take away your rights.
- 3) Where does the candidate stand on marriage?
- 4) Where does the candidate stand on life?

Tim Barton: “...The Bible tells us in Proverbs 14: 34 that righteousness exalts a nation but sin is a reproach to people, what makes a nation great is righteousness...”
